

**Saint Bartholomew School
Summer Reading List 2009
Grade One**

To Parents of First Graders:

Here is your child's summer reading list. We hope that you and your child together will enjoy reading many of the books on this list. Your child is asked to read at least **TEN BOOKS** during the summer so that over the long vacation they will not forget any of the skills they learned in Kindergarten. This list is divided into two groups:

1. Picture Books: to be read to the child
2. Easy-To-Read Books: for them to try and read to you

These books cover a wide range of abilities. Have your child read a page or two before making your selection. Please note that when you see (Series) after a title then any title in that series is suitable.

When you have finished reading a book, please fill in the record sheet that is included in this packet. Please sign the sheet and send this sheet back to school during the first week. We will be discussing these books during our library class.

Transform your summer, read!

Mrs. Davison

St. Bartholomew School
