

Here are some categories of items or specific items that, in addition to items that we are directly soliciting, the Gala Committee would love to receive for the Silent Auction Tables. These items represent donations that have done well at the Gala in the past. If you are interested in donating one or more of these items, please contact a member of the Gala Committee so that we can let you know if it has already been donated.

In addition to these items, the Gala Committee will be offering many of the items that have always been popular at the auction, such as the Class Projects, Class gifts, Teacher's Donations and the Live Auction. Thank you for your interest and generous support.
